As an Adopter...

- ↻ Earn 5 free passes for your friends each season!
- ↻ A complimentary Ohme Gardens Volunteer tee!
- ↻ Outstanding adopters recognized in our monthly eNewsletter and recognition on Kiosk panel!
- ↻ Benefit from a sense of ownership of your community through the satisfaction of volunteering.

A-A-G Application

Name of individual: _____

Name of organization: _____

Address: _____

City: _____ State: _____ Zip: _____

Phone Number: _____

Proposed Period of Adoption: _____

Guidelines

Ohme Gardens would like to offer the opportunity to create and maintain sections of our beautiful Gardens for the enjoyment of local residents and visitors.

- ✓ No adoption fee! We simply ask that each adopting individual or group is a current Ohme Gardens Season Pass holder.
- ✓ The adoption period is one season.
- ✓ Those who adopt a garden must keep it maintained. Failure to actively maintain your adopted section will result in the section being re-entered into the adoption pool and made available to those on the waitlist.
- ✓ Training will be provided (and is required before working on your section).
- ✓ Adopters may adopt only one garden per household, club, business (etc).
- ✓ Earn 5 free guest passes per season (May—September)!
- ✓ First, submit the application to the Ohme Gardens Administrator, Mike Short via mail or dropping it off at the Main Office.
- ✓ If approved, Ohme Gardens will mail an agreement to you or your group!
